Welcome Limited is Kiwi owned and managed, designed from the start with you, our client, at the heart of what we do.

We are committed to fair treatment for our investors, borrowers, stakeholders and the people who work in our business.

Our Fair Conduct Programme (FCP) sits behind these statements and was approved by the Board even before we launched the business. Our FCP sets out our policies, procedures and systems covering all aspects of our business.

This means treating our clients fairly by:

The Board regularly receives assurance and reporting from both internal leaders and external specialists to ensure that we uphold the fair conduct principle.
